We understand that:

1. The City of Gastonia Recreation Department will provide barricades/traffic cones and the residents will be responsible to see that the barricades/traffic cones are erected and are kept in place at all times while the street is closed to public traffic. The residents are responsible for picking up and returning the barricades/traffic cones to the Gastonia Recreation Department.
2. The City street maintenance crews will be notified that the street is not to be cleared of snow on its regular schedule and will be placed at the end of the list.
3. The City will discontinue sanitation trash collection until the street is reopened to public traffic.
4. The City cannot provide the level of police, fire and other emergency vehicle service as provided in other areas due to the temporary street closing and we do, hereby, release the City from claims for damages arising from or as a result of the street closing.
5. We will not hold the City of Gastonia liable for accidents occurring on this portion of the street while it is closed as a result of our request.
6. We are responsible for securing approval of street closing from the North Carolina Department of Transportation, if street is state maintained.
- *7. Both husband and wife must sign petition; do not sign as Mr. & Mrs. John Doe, but as Mr. John Doe and Mrs. Mary Doe.
8. All residents and property owners of the portion of street to be closed must sign the petition.
9. The City of Gastonia reserves the right to re-open the street at any time.
10. Petition *must* be returned to the Engineering Department no later than 10 business days prior to the event.
