- H. Electrical Contractor _____ Phone _____
- Customer's Signature _____
(Name) (Title) (Date)
- Present Mailing Address _____

- I. Underground Service Requested: YES _____ NO _____

Construction Guidelines

Relocation of poles, guys, anchors, transformers, or other equipment must be coordinated with the City of Gastonia Electric Department.

Placement of plantings, sidewalks, or other permanent structures must be designed and placed in such a way as to not conflict with electric utility lines and /or equipment.

The City of Gastonia reserves the right to dictate the location of all electric meters, services, and transformers.

It is the responsibility of the owner to install all underground conduits to the transformer, junction box, or utility pole.

Electric installations must conform to the current National Electric Code and National Electric Safety Code.

Electric utility relocation expense may be the responsibility of the property owner.

Contact the City of Gastonia Electric Department to coordinate any electric utility installations.
